WHY NOT CALL IN AND SEE US

A WELCOME FROM THE PRESIDENT OF THE
HAMPSHIRE PHILATELIC FEDERATION
F.B. Howard-White, M.C., F.R.P.S.L.

Our gratitude is due to the Petersfield & District Philatelic Society for once again providing the venue for our annual Convention and our cordial thanks are extended to its Officers, committees and voluntary helpers for making such excellent arrangements.

Situated amid such beautiful scenery, Petersfield is an ideal place in which to meet and renew treasured friendships.

The expectation expressed when we met here six years ago that the Federation would go from strength to strength has been fulfilled and the growth and diversity of its activities are highly satisfactory.

Moreover, it is not without encouragement that, of the five counties entered for the B.P.E. Inter-Federation Competition, Hampshire took second place, close behind Surrey, the winners, who had some superb items in their entry.

As always, we warmly appreciate the loyal and consistent support of our friends in the trade.

May the high quality of the sheets in the frames give pleasure to many and may all who are beginners learn much from the skill and expertise of the more advanced exhibitors.

A Welcome to you all,

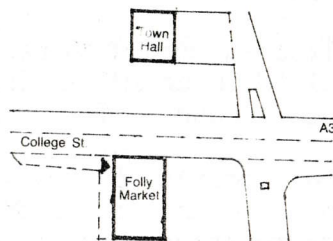

F.B. Howard-White,
President.

PETERSFIELD & DISTRICT PHILATELIC SOCIETY

Dear Visitors and Fellow-Collectors,

I believe that once you have tasted the many pleasures and curiosities of today's exhibition you will see why our local Philatelic Society is one of Petersfield's largest and most active clubs. On behalf of the society, may I extend warm greetings and a hope that you might care to know more of the Society and its activities.

It has been said that, for every collector who is a member of a Philatelic Society, there are twenty who are not. If that is so, then Petersfield must have some 2,000 people who are only a step away from joining. Whatever your preference, whether you would like the social side of our meeting, the talks, demonstrations and visits, or receiving packets on the Club Circuit, there is a place for you in Petersfield Philatelic Society. Do make enquiries at the Information Stand.

Finally, I should like to extend a warm welcome to members of societies from all over Hampshire who are visiting us today, and express thanks to all those who have helped in the complex task of mounting this convention.

Sincerely,

John Hayes, Chairman

We express thanks to Dealers, Advertisers, Petersfield Guides, and others who have supported us in connection with this exhibition.
